

Parents & Students: There was a new executive order given by Governor Walz that last few days that does impact the Ellsworth School. The order requires schools to now place in its teaching schedule an additional 30 minutes of prep time a day for teachers. This is not easily done in our schedule to make this work, we will be shortening our Friday schedule every Friday to an early out at 12:30. This early out will begin on December 4, 2020 and continue until further notice. All students will be dismissed at 12:30 every Friday.

Also an executive order was given to shut down all youth sports including Minnesota State High School League Sports starting midnight Friday November 20th. This includes all practices, scrimmages, games and open gyms or weight room facilities. This order is for four weeks at this time.

If you have any questions please call the school office.

John R. Willey
Superintendent / Principal
Ellsworth School District
